Speaking Topics

Business Growth/Humanize Branding

Social media isn't really all that scary, or is it?! How do you know that your story is being received the right way?!

Social media Influence/Connecting

A daily #LinkedInVideo creator that is the only influencer that shares professional and personal lessons along with a 2.5 year old.

Leadership & Career Transitions

How military, to profit and non-profit led me to start a consulting company for good. I share what it took to make the leap.

Bio

My passion is to help others by bringing out the best in them. With over a decade of experience in Business Development, leading U.S. Marines & traveling the world, I have discovered that we can all maximize our potential with the right guidance.
